The Second ROYAN International Infertility Research Award

In November 2001, the Royan Institute will once again host the Royan International Award on infertility and reproductive health research in Tehran. The international researchers will be given a chance to be mustered again to exchange and represent the results of their investigations. This year, the awards (total sum of \$32,000) will be granted to five selected researches on infertility or any other related topic. In addition to international section, three domestic outstanding researches will be awarded.

The research topics may fall within the following scope: male & female infertility, embryology, reproductive endocrinology, genetics, infertility physiology and immunology, reproductive biology and reproductive health.

The abstracts, application forms, and the other required attachments (endorsed photos, particulars, etc.) should be mailed by April 10, 2001.

Contact:

Royan Institute, P.O. Box: 19395-4644, Tehran, Iran

Tel: +98-21-2416415, Fax: +98-21-2409314
