7th Razi Medical Sciences Research Award December 2001

The awards are granted in the following fields:

- Best papers published in recognized Iranian and international journals.
- Best papers devised from graduate dissertations.
- Innovations and inventions.
- Best Iranian scientific and research medical journals (verified by the publication committee of the Ministry of Health and Medical Education).
- Best medical research centers (verified by the Ministry of Health and Medical Education).

Terms and conditions for participation:

- To forward a copy of the published paper along with a cover letter.
- To forward a copy of the dissertation along with the related paper(s).
- To offer full explanation of the inventions and innovations along with the registration certificate.
- To submit the issues of the journals published from March 20, 2000 to April 2001 along with the relevant registration form.
- To submit the related form for the research center section.

Notes:

- Submitted papers will be assessed in terms of specialized medical fields of basic medical sciences, clinical sciences, pharmaceutical sciences, nutrition, health and dentistry.
- The student section includes students that are introduced by the research deputies of their faculties (each university can introduce up to three students).
- For the dissertation section, the minimum degree required is BS (graduation date must be after September 1999).
- Letters of acceptance are not acceptable for the research paper section.
- Papers and dissertations must be published after March 1999.
- Research deputies are authorized to introduce their affiliated research centers.

Deadline for submission of documents is 23rd September 2001.
